Cash dividend and offer of Dividend Reinvestment Plan

The board of directors of Sirius has earlier today declared a dividend for the six-month period ended 31 March 2025 of €0.0309 per share.

The dividend is payable on Thursday, 24 July 2025 to Sirius shareholders ("Shareholders") on the share register on Friday, 27 June 2025.

6. Exchange Control Regulations

The following is not intended to constitute advice and only serves as a guide and is therefore not a comprehensive statement of the Exchange Control Regulations of South Africa issued under the South African Currency and Exchanges Act, No. 9 of 1933, as amended (“**Exchange Control Regulations**”), applicable to SA Shareholders.

Shareholders who are in any doubt as to the appropriate course of action to take should consult their professional advisors.

Any shares acquired via the DRIP are not freely transferable from South Africa and must be dealt with in the terms of the Exchange Control Regulations.

Shareholders who hold shares on the SA share register can only receive reinvested shares on that register.

The following principles apply to non-resident Shareholders and emigrants who make the relevant election:

1. The cash dividend

As the cash dividend will be paid out of the Company’s distributable profits, such dividends are freely transferable from South Africa. For emigrants, the election of the cash dividend by emigrants must be made through an authorised dealer in foreign exchange controlling the Shareholder’s emigrant capital account.

2. Reinvested shares via the DRIP

Only dematerialised Shareholders may participate in the DRIP and all aspects relating to the Exchange Control Regulations will be managed by their CSDP or broker, as follows:

(A) Non-residents

Reinvested shares will be credited to their CSDP or broker accounts and a “Non-Resident” annotation will appear in the CSDP or broker register. Dividend payments will be credited directly to the bank accounts nominated for them by their CSDP or broker.

(B) Emigrants

Based on shares controlled in terms of the Exchange Control Regulations, reinvested shares will be controlled and form part of the emigrant’s remaining assets and be reflected in the capital account held with the Authorised Dealer controlling these assets. In particular, it will be the CSDP of the Authorised Dealer or the CSDP contracted by the Authorised Dealer that will be responsible to implement the election and a “Non-Resident” annotation will appear in the CSDP. These shares will thus form part of the remaining assets of the emigrant. However, it should be noted that it was indicated by the South African Reserve Bank in Exchange Control Circular 3/2023 (in relation to income and capital distributions from inter vivos trusts), that remaining funds in South Africa may be transferred from South Africa up to R10 million, subject to the emigrant obtaining the relevant tax TCS clearance from the South African Revenue Service.

In terms of the Exchange Control Regulations of South Africa:

1. any share certificates that might be issued to non-resident shareholders will be endorsed ‘Non-Resident’;
